## WHO WE ARE

---

Secure Haven Urns & Keepsakes is a family owned and run business. This rather unique memorial business is led by mother and daughter team, Cheryl and Hannah Yarwood.

Since 2015, they have strived to design, develop and source memorial urns and keepsakes from around the globe to fulfill families wishes, whilst being ethically responsible and aware.

Being an environmentally conscious company, we support global reforestation programmes through Tree Nation, by planting one tree for every product purchased through our online store at [www.securehaventrade.co.uk](http://www.securehaventrade.co.uk).

## HAND-BLOWN GLASS URNS

They are bright, colourful, and tactile, making them a beautiful alternative to a traditional casket or urn. Either rest the ornate lid on top, or seal with silicone or glue.
